

Volunteer Groups: Teambuilding Made Fun

Many of Surrey's 1,400 volunteers are individuals. But did you know that each year Surrey benefits from group volunteers? These groups come from corporations, churches, schools and organizations. They help with myriad tasks from technology assistance to home repair and painting.

"It's really fun to work together to help Surrey members," said Kelly, a volunteer and student at Sacred Heart Academy who volunteered with Member Services Delaware County.

"Volunteering is an extremely gratifying and fulfilling experience. There is nothing that makes you feel quite as good as helping somebody that owes you nothing in return." Paul, TE Connectivity who volunteered at Devon Tech Troubleshooting Day.

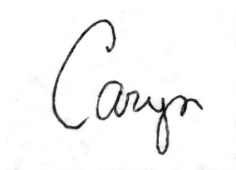

Welcome to Volunteer Orientation!

Hello Surrey Volunteers!

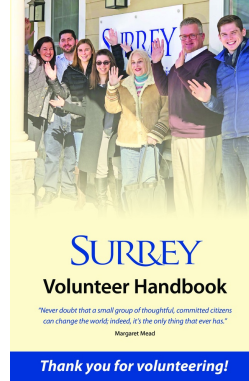

This month, we've launched an updated **Orientation Program** for our new volunteers. A link to the new edition of our Volunteer Handbook is [here](#). If you have a few minutes, please click on the link and read through it.

We will offer the orientation program for new volunteers, but existing volunteers are welcome to attend as well. Orientation is a great opportunity for volunteers to meet members and learn about Surrey.

Let me know if you'd like to attend one of these. My email is cfallon@surreyservices.org and my direct phone number is 484-321-6106.
