Surrey Services for Seniors (Surrey), is seeking a highly accomplished, innovative, and visionary professional to serve as Chief Operating Officer (COO).

Now in its 40th year, Surrey is recognized as an innovative leader in the delivery of services and programs to help older adults live with independence, purpose, and dignity as active members of the community. Founded on the principle of “neighbor helping neighbor,” Surrey builds its strength and impact by bringing an active and strong base of volunteers of all ages together with a committed Surrey team to help older adults have the support that they need to live an active, healthy, and fulfilling life.

Headquartered in Devon, PA, Surrey serves more than 5,400 seniors through its programs and services offered at its Centers located in Devon, Broomall, Media, and Havertown in the Greater Philadelphia Region of Southeastern Pennsylvania. The annual budget of approximately $5 Million is funded through philanthropy, grants, member services, and revenue from its Home Care Services and Consignment Shop. Developed to ultimately increase the quality of life of individuals as they age, Surrey’s programs inspire learning, exploration, and discovery of talents and interests, provide opportunities for engagement, promote mental and physical health and well-being, and provide support and assistance to help older adults maintain their independence as they remain in their home.

Surrey provides a comprehensive and integrated scope of services including: home care, RN care management; tele-health, nutrition and meals; lifelong learning programs; health, wellness and fitness programs; transportation and personal support services; and a variety of referral, and assistance programs. Services are individualized to the particular needs of those served, and thanks to the generous support of the community, these services are provided at low or no cost.

Surrey is now entering a new and exciting phase in its history with the development of a new Strategic Plan and initiation of services that will continue to keep Surrey at the forefront of innovation in the delivery of services for older adults. The initiatives outlined in the Plan call for the development of new services, expansion of current programs, new virtual programming, and the creation of new service delivery processes that will increase the reach and impact of the organizations as it addresses the needs of older adults and their families in this new, evolving, and dynamic environment. The COO will play a critical role in the visioning, planning, execution, and oversight of these strategic initiatives.
