Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards	21

#### Independent Auditors' Report

To the Board of Directors Surrey Services for Seniors, Inc. Devon, Pennsylvania

We have audited the accompanying financial statements of Surrey Services for Seniors, Inc., which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors Surrey Services for Seniors, Inc. Devon, Pennsylvania

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Surrey Services for Seniors, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have issued our report dated October 3, 2019 on our consideration of the Surrey Services for Seniors, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Surrey Services for Seniors, Inc.'s internal control over financial reporting and compliance.

#### Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information appearing on pages 19 and 20 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### **NOTE A - NATURE OF ACTIVITIES**

Surrey Services for Seniors, Inc. (the Corporation) is a publicly supported, non-profit corporation which provides transportation, social activities, home care, nutrition programs, and volunteer opportunities to older adults, primarily in Chester and Delaware Counties, Pennsylvania.

These services help older adults live with independence and dignity to continue as active members of the community. They are provided by a small professional staff supported by the efforts of over 1,300 volunteers. The total volunteer hours exceeded 49,300 and 60,000 for 2019 and 2018, respectively.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting**

The Corporation prepares its financial statements on the accrual method of accounting.

#### Financial Statement Presentation

Under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC 958-10-65-1, the Corporation is required to report information regarding its financial position and activities according to two mutually exclusive classes according to the existence or absence of donor-imposed restrictions. See Net Assets with Donor Restrictions and Net Assets without Donor Restrictions.

#### **Net Assets with Donor Restrictions**

The part of net assets of the Corporation that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Some donors impose restrictions that are temporary in nature, for example, stipulating that resources be used after a specified date, for particular programs or services, or to acquire buildings or equipment. Other donors impose restrictions are perpetual in nature, for example, stipulating that resources be maintained in perpetuity. Laws may extend those limits to investment returns from those resources and to other enhancements (diminishments) of those resources. Thus, those laws extend donor-imposed restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the same reporting period in which the support is received and recognized.

#### Net Assets without Donor Restrictions

The part of net assets of the Corporation that is not subject to donor-imposed restrictions.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, the Corporation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Accounts Receivable

Accounts receivable are reported at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an offsetting entry to a valuation allowance for trade accounts receivable. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

The allowance for doubtful accounts is based on prior years' experience and management analysis of possible bad debts. The allowance is \$2,759 and \$2,590 as of June 30, 2019 and 2018, respectively.

#### **Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Corporation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

#### Concentration of Risk

Financial instruments that potentially subject the Corporation to concentration of credit risk consist principally of cash and accounts receivable. The Corporation's cash funds are located in various financial institutions. The Corporation at times during operations has cash deposits that exceed \$250,000 in one account in individual financial institutions. The federal deposit insurance Corporation (FDIC) insures the first \$250,000 of any depositor's total depository accounts for each member institution. The Corporation places its cash with credit worthy financial institutions and has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk on cash.

Substantially all the Corporation's accounts receivable are from customers located in Chester and Delaware Counties, Pennsylvania. The Corporation does require a security deposit for larger Homecare clients, but for the majority of its clients, they do not require collateral or other security to support credit sales, and provides an allowance for bad debts based on historical experience and specifically identified risks.

One donor accounted for more than 10% of support during the years ended June 30, 2019 and 2018. The total support from the donor in 2019 and 2018 was \$600,000 in each year.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Investments

The Corporation carries investments in marketable securities with readily determinable fair market values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

#### **Property and Equipment**

The Corporation records property and equipment at cost and primarily uses the straight-line depreciation method over estimated useful lives of 3 to 40 years. Maintenance, repairs and expenditures for renewals and betterments not determined to extend the useful lives or increase materially the productivity of the asset are expensed as incurred. Otherwise renewals and betterments are capitalized. When items of property and equipment are sold or retired, the cost and related allowances for depreciation are eliminated from the accounts. The gain or loss on such disposition is credited or charged to income.

Donations of property and equipment are recorded as support at their estimated value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Corporation reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method, over their estimated useful lives.

#### **Accrued Compensated Absences**

Full-time employees receive annual leave based upon length of employment. Annual leave is paid to employees upon termination of employment and is accrued in the financial statements. Accrued compensated absences as of June 30, 2019 and 2018 are \$13,802 and \$31,757, respectively.

#### **Deferred Revenue**

Deferred Revenue represents amounts received in advance from clients and grantors. The amounts are expected to be recognized as revenue in the subsequent year.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Contributions**

Contributions received are recorded with donor restrictions or without donor restrictions, depending on the existence or nature of any donor-imposed restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in donor restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are classified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

#### Revenue Recognition

The Corporation's program revenues are derived from services including homecare, community, member, nutrition, and transportation. The program service revenue is recognized when the services are rendered.

#### Fair Value of Financial Instruments

The fair value of financial instruments has been determined through quoted market values.

#### Advertising

The Corporation follows the policy of charging the cost of advertising to expense as incurred.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

#### Income Taxes

The Corporation is a charitable organization with an exempt status under Section 501(c)(3) of the Internal Revenue Code, and is classified as an organization that is not a private foundation as defined in Section 509(a)(1) of the Internal Revenue Code.

Generally accepted accounting principles requires entities to evaluate, measure, recognize, and disclose any uncertain tax positions taken on their income tax returns. Management has evaluated the impact of this standard on its financial statements and believes that there are no uncertain tax positions and the effects of this standard did not impact the Corporation's financial position, statement of activities or changes in net assets.

The Corporation recognizes accrued interest and penalties associated with uncertain tax positions, if any, as part of the income tax provision. The Corporation does not have tax related interest and penalties for the years after the date the Corporation files the returns.

#### **NOTE F - FAIR VALUE MEASUREMENTS**

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Corporation has the ability to access. Level 2 inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. Level 3 inputs are unobservable inputs based on the Corporation's assumptions used to measure assets and liabilities at fair value. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Assets of the Corporation for which fair values are determined on a recurring basis are summarized as follows:

		Investment Assets at Fair Value as of June 30, 2019									
	-	Level 1	Level 2	Level 3		Total

#### **NOTE G - UNEMPLOYMENT TRUST**

The Corporation participates in a Trust created by and for nonprofit organizations that provides an alternative to paying state unemployment taxes. Federal law allows 501 (c)(3) organizations to opt out of their state's unemployment system and agree to directly reimburse the state for their own unemployment claims. The Trust establishes an account that is used to cover current claims in process, and future claims. The account also pays administrative expenses of the Trust and participates in the investment results of the Trust's assets. The balance in the account is \$5,098 and \$20,598 as of June 30, 2019 and 2018, respectively and is included in prepaid expenses.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### **NOTE H - NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions represent assets whose use by the Corporation is subject to grantor- or donor-imposed restrictions that can be fulfilled through the actions of the Corporation or by the passage of time. Net assets with donor restrictions at June 30, 2019 and 2018, consist of grants and donations received but not yet spent for their intended purpose as follows:

	_	2019	2018	
Kitchen renovation	\$_	125,400	\$	_

#### NOTE I - DONATED MATERIALS AND SERVICES

Contributions of donated non-cash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their values in the period received.

The following schedule summarizes recorded donations of goods and services:

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### NOTE J - FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Program service costs include expenses to provide transportation, home care, social activities, nutritional programs and volunteer activities. Fund-raising expenses are costs related to development, grant writing and other fund-raising efforts. Management and general expenses are costs directly related to the overall operation of the Corporation, which are not associated with program or fund-raising services. Certain management and general expenses, such as payroll, employee benefits and payroll taxes, are allocated to program and fund-raising based on the employees' use of their time.

#### **NOTE K - RETIREMENT PLAN**

The Corporation has a 401(k)-retirement plan covering substantially all qualified employees. The Plan is being funded currently. Contributions by the Corporation represent an employer match of 50% of the first six percent of employee deferral. Contributions for the year ended June 30, 2019 and 2018 was \$63,633 and \$33,437, respectively.

#### NOTE L - OPERATING LEASE COMMITMENT

The Corporation has various non-cancelable operating leases for shop, office facilities and three centers. The lease terms are month to month or year to year. The leases do not have non-cancellable terms in excess of one year.

In June 2018, the Corporation entered into a five-year lease for one of their centers with the option to renew the lease for five one-year extensions. In April 2019, the Corporation entered into a one-year lease for another center with the option to renew the lease for a one-year extension.

The following is a schedule of future annual minimum lease payments required under noncancelable lease terms in excess of one year as of June 30, 2019.

			Annual

#### **NOTE N - LINE OF CREDIT**

The Corporation has a business line of credit with a bank. The maximum amount available as of June 30, 2019 and 2018 is \$500,000 with interest at the bank's prime rate on any outstanding balance. The maximum balance outstanding during the fiscal years ended June 30, 2019 and 2018, respectively, was \$190,000 and \$60,000. The line of credit is due on demand with currently no expiration date. There was no outstanding balance on the line of credit as of June 30, 2019 and 2018.

#### **NOTE O - PROVIDER AGREEMENTS**

The Corporation has a Provider Agreement with the County of Delaware, Office of Services for the Aging (COSA) to provide services for two centers in Havertown and Media, Pennsylvania. The services include center management, congregate meals, home delivered meals and volunteer services. Under the terms of the agreement, the Corporation is required to provide COSA program schedules as supplemental information detailing the COSA program activity for the fiscal year. The supplemental schedules are included on pages 19 and 20 as additional information.

The Corporation has recognized \$322,994 and \$348,545 of program service revenue for the years ended June 30, 2019 and 2018, respectively. There is \$42,791 and \$102,154 due from COSA included in other receivables as of June 30, 2019 and 2018, respectively.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2019 AND 2018

#### **NOTE O - PROVIDER AGREEMENTS (Continued)**

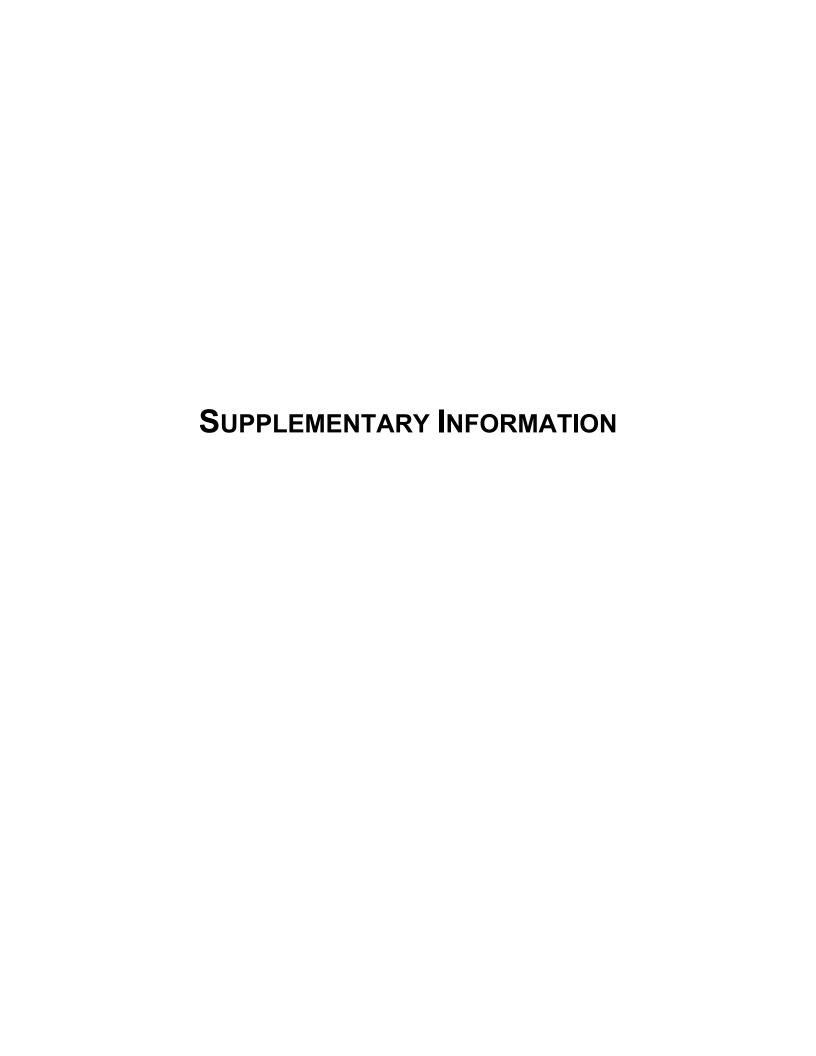

The Corporation also has an agreement with the COSA under the CHORE program to provide home modifications to seniors in Delaware County, Pennsylvania. The home modifications include repair and maintenance services as well as handicap accessible installations. The Corporation recognized \$8,181 and \$71,896 of home modification program revenue for the years ended June 30, 2019 and 2018, respectively.

As of June 30, 2018, there is \$16,791 due from COSA for the home modification program included in accounts receivable. There is no amount due from COSA for the home modification program as of June 30, 2019. The program revenues and expenses are reported with the CHORE Connection column in the supplemental schedules.

The Corporation has a contract with the Chester County Department of Aging Services ("CCDAS") to provide support for congregate meals, senior community center services, volunteer services and information and referral programs in Chester County, Pennsylvania. The purpose of the senior community center program is to facilitate the social, emotional, and physical well-being of older Pennsylvanians as part of a comprehensive and coordinated system of services and the establishment and support of community based services and activities. The Corporation received contracts for \$89,330 and \$104,330 for the years ended June 30, 2019 and 2018, respectively.

#### **NOTE P - LIQUIDITY**

In addition to the Corporation's cash balances, the liquidity management program includes a \$500,000 line of credit maintained should any short-term seasonal cash requirements arise during the year. In addition to these items, at June 30, 2019 and 2018, respectively, the Corporation's invested assets of approximately \$1,994,000 and \$1,852,000 were also immediately available to the Company for liquidity by corporate action. These liquidity capacities, assuming no revenue or gains occur, exceed 6.8 and 6.5 months of total expenses of \$4,556,012 and \$4,424,514 for the fiscal years ending June 30, 2019 and 2018, respectively.

# Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Board of Directors Surrey Services for Seniors, Inc. Devon, Pennsylvania

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Surrey Services for Seniors, Inc., which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated October 3, 2019.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Surrey Services for Seniors, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Surrey Services for Seniors, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Surrey Services for Seniors, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors Surrey Services for Seniors, Inc. Devon, Pennsylvania

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Surrey Services for Seniors, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
