
SUPPORT FOR FAMILY CAREGIVERS

Surrey understands the rewards and challenges that family caregivers face. The Family Caregiver training offered by The Surrey Academy provides flexible scheduling and in-home support to help accommodate the needs of those caring for older loved ones.

PROGRAM INCLUDES

- Online learning - 10 hours with flexible scheduling.
- In-home, hands-on skills training with a Surrey caregiving professional - 5 hours. This includes a review of online learning.
- Additional online learning is available for specific care or needs.
